Please consult your tax advisor for further information. IRS regulations require "fair market value"--the price we can sell your items; since we do not sell soiled or damaged items they cannot be included in our valuations. Your donation summary represents average resale pricing at The Resale Shop of the items you donated. It is reported to you at your request and may be used as your receipt for income tax purposes; however, you are under no obligation to use this statement in completing your tax return.
